The “Adopt-a-Bench” program is whereby any person, service organization or business can purchase a bench to be placed in one of our city parks. This is a great way to recognize a special occasion such as an anniversary, birth of a child or grandchild, a remembrance bench for a loved one or to promote your business or service organization. The one-time cost of \$800.00 includes the bench, installation and a customized name plaque.

All benches are 6 ft. long with arms made from recycled plastic that is weather and stain resistant with heavy-duty fabricated steel parts to achieve long-lasting, outdoor use. All steel parts are powder coated for durable, high-quality finishes.

Here is a listing of locations where benches could be added or adopted if it's already installed.
