The council entered a closed meeting at this time to discuss a real estate purchase offer as permitted under MN Statute Section 13D.05, subd (3). The council reconvened to an open meeting at 6:02 pm.

2022 Budget and Levy

Finance Director Bill Sonmor presented the 2022 budget and levy. The 2022 proposed expenditures are \$43,480,407. The proposed tax levy is \$7,058,500, a 6.87% change from 2021. He reminded the council they requested no property tax levy increase for 2021. The levy going up this year to keep up with annual inflationary expenses. LGA has been restored to a certified level, liquor store transfers will be reduced to a normal level and the one time use of fund balance will be used for the projected operations at the Bigwood Event Center (\$107,125), comprehensive plan (\$75,000) and a new calendar/email system (\$30,000). Police, Fire and Library funding will be restored to 2019 levels. The

Tax Levy Committee has recommended a 10% (\$37,440) increase for annual street maintenance projects. Phase III of the LED street light project will be completed in 2022. The city is considering the implementation of a franchise fee to help generate additional revenue dedicated to street improvement projects. The Parks and Recreation budget is decreasing by nearly a million as the 2021 budget included the purchase of the dairy property from the Port Authority. The city will begin operating the Bigwood Event Center early next year using American Rescue Plan funds and the General Fund for their operations budget. Planned capital improvements were reviewed. The Enterprise Funds along with their operating revenues, expenses and income were reviewed. The 2022 budget includes a 3% increase in refuse collection fees, a 2.5% increase in refuse disposal fees and a 8.3% increase in recycling fees. Sonmor asked the council to weigh in on a possible increase in landfill demo rates and they were in consensus the rates need to be increased to meet our expenses.

The public comment period was opened. Sonmor said one phone call from a resident on W Stanton expressed their opposition to the 2022 budget and levy. Joseph Welch, 821 S Whitford was concerned with the overall increase in his home value. The Mayor and Finance Director explained the process to contest property values will take place in the spring of next year during the county's Board of Equalization hearings. He was encouraged to bring his questions to the County Assessor for further clarification. As no one else appeared, the public comment period was closed at 6:37 pm. The council was asked how they would like to proceed.

Kvamme asked if more funding could be allocated to street projects. He listed a number of streets and parking lots he felt needed immediate attention. Sonmor referenced the Capital Improvement Plan and proposed dates for planned improvements. He said the Tax Levy Committee wrestled with the amount to allocate towards street improvements. They ultimately decided on a 10% increase in the street improvement budget knowing the city would be pursuing franchise fees in 2022. Franchise fees would be a pass through charge added to electric or natural gas utility bills collected on behalf of the city. Collection would be made through Great Plains Natural Gas, Otter Tail Power Company and Lake Region Electric. The fees would be a dedicated funding source for street infrastructure and street lighting expenditures and they would spread the cost over all properties within the city, including tax exempt properties. City staff are preparing revenue projections and potential project funding for council consideration, but early estimates indicate the city would be able to collect nearly a million per year to use for street improvements. Franchise fees would have to be adopted by ordinance and staff are projecting the implementation of the fees is possible by the second quarter of next year. Many of the council members said most of their resident concerns are the result of the condition of the streets and they were favorable to finding an additional revenue source to help pay for street projects. Rufer offered Resolution #273-2021 approving the 2022 levy, which was seconded by Hagberg and was adopted with Hicks voting in opposition.

Rufer offered Resolution #274-2021 approving the 2022 budget, which was seconded by Gustafson and was adopted with Hicks voting in opposition.

The meeting adjourned at 6:50 pm

Page 1 of 1

Meeting Date: December 13, 2021

Subject:

- A. Joint Powers Agreement with State of Minnesota, BCA and City of Fergus Falls regarding access to criminal justice data communications network
- B. Court Data Services Subscriber Amendment Agreement

Recommendation:

- A. Pass resolution authorizing the Mayor and City Administrator to sign the Joint Powers Agreement with the State of Minnesota.
- B. Pass resolution authorizing the Mayor and City Administrator to sign the Court Data Services Subscriber Amendment Agreement.

Background/Key Points:

- A. Every 5 years the City must enter into a Joint Powers Agreement with the State of Minnesota, Bureau of Criminal Apprehension (BCA) to utilize the BCA's criminal justice data communications network and the FBI Criminal Justice Information Systems (CJIS). The BCA has now implemented a \$50.00 monthly subscription fee. All individuals that have access to CJIS must be certified by the FBI to have access to its information and communication networks.
- B. The City Attorneys office has access to certain BCA systems and tools which include access to and/or submission of Court Records under a continuing subscription agreement, identified as SWIFT Contract number 202869, with BCA. The BCA is requesting a modification to the subscriber agreement to add Court as a party to the subscription agreement.

Budgetary Impact: The BCA has implemented a \$50.00 monthly subscription fee.

State of Minnesota Joint Powers Agreement

This Agreement is between the State of Minnesota, acting through its Department of Public Safety on behalf of the Bureau of Criminal Apprehension ("BCA"), and the City of Fergus Falls on behalf of its Prosecuting Attorney ("Governmental Unit"). The BCA and the Governmental Unit may be referred to jointly as "Parties."

Recitals

Under Minn. Stat. § 471.59, the BCA and the Governmental Unit are empowered to engage in agreements that are necessary to exercise their powers. Under Minn. Stat. § 299C.46, the BCA must provide a criminal justice data communications network to benefit political subdivisions as defined under Minn. Stat. § 299C.46, subd. 2 and subd. 2(a). The Governmental Unit is authorized by law to utilize the criminal justice data communications network pursuant to the terms set out in this Agreement. In addition, BCA either maintains repositories of data or has access to repositories of data that benefit authorized political subdivisions in performing their duties. The Governmental Unit wants to access data in support of its official duties.

The purpose of this Agreement is to create a method by which the Governmental Unit has access to those systems and tools for which it has eligibility, and to memorialize the requirements to obtain access and the limitations on the access.

Agreement

1 Term of Agreement

- **1.1 Effective Date.** This Agreement is effective on the date the BCA obtains all required signatures under Minn. Stat. § 16C.05, subdivision 2.
- 1.2 Expiration Date. This Agreement expires five years from the date it is effective.

2 Agreement Between the Parties

2.1 General Access. BCA agrees to provide Governmental Unit with access to the Minnesota Criminal Justice Data Communications Network (CJDN) and those systems and tools which the Governmental Unit is authorized by law to access via the CJDN for the purposes outlined in Minn. Stat. § 299C.46.

2.2 Methods of Access.

The BCA offers three (3) methods of access to its systems and tools. The methods of access are:

- A. **Direct access** occurs when individual users at the Governmental Unit use the Governmental Unit's equipment to access the BCA's systems and tools. This is generally accomplished by an individual user entering a query into one of BCA's systems or tools.
- B. Indirect Access occurs when individual users at the Governmental Unit go to another Governmental Unit to obtain data and information from BCA's systems and tools. This method of access generally results in the Governmental Unit with indirect access obtaining the needed data and information in a physical format like a paper report.
- C. Computer-to-Computer System Interface occurs when the Governmental Unit's computer exchanges data and information with BCA's computer systems and tools using an interface. Without limitation, interface types include: state message switch, web services, enterprise service bus and message queuing.

For purposes of this Agreement, Governmental Unit employees or contractors may use any of these methods to use BCA's systems and tools as described in this Agreement. Governmental Unit will select a

- method of access and can change the methodology following the process in Clause 2.10.
- **2.3 Federal Systems Access.** In addition, pursuant to 28 CFR §20.30-38 and Minn. Stat. §299C.58, BCA may provide Governmental Unit with access to the Federal Bureau of Investigation (FBI) National Crime Information Center.
- 2.4 Governmental Unit Policies. Both the BCA and the FBI's Criminal Justice Information Systems (FBI-CJIS) have policies, regulations and laws on access, use, audit, dissemination, hit confirmation, logging, quality assurance, screening (pre-employment), security, timeliness, training, use of the system, and validation. Governmental Unit has created its own policies to ensure that Governmental Unit's employees and contractors comply with all applicable requirements. Governmental Unit ensures this compliance through appropriate enforcement. These BCA and FBI-CJIS policies and regulations, as amended and updated from time to time, are incorporated into this Agreement by reference. The policies are available at https://bcanextest.x.state.mn.us/launchpad/.
- 2.5 Governmental Unit Resources. To assist Governmental Unit in complying with the federal and state requirements on access to and use of the various systems and tools, information is available at https://sps.x.state.mn.us/sites/bcaservicecatalog/default.aspx. Additional information on appropriate use is found in the Minnesota Bureau of Criminal Apprehension Policy on Appropriate Use of Systems and Data available at https://bcanextest.x.state.mn.us/launchpad/cjisdocs/docs.cgi?cmd=FS&ID=795&TYPE=DOCS.

2.6 Access Granted.

- A. Governmental Unit is granted permission to use all current and future BCA systems and tools for which Governmental Unit is eligible. Eligibility is dependent on Governmental Unit (i) satisfying all applicable federal or state statutory requirements; (ii) complying with the terms of this Agreement; and (iii) acceptance by BCA of Governmental Unit's written request for use of a specific system or tool.
- B. To facilitate changes in systems and tools, Governmental Unit grants its Authorized Representative authority to make written requests for those systems and tools provided by BCA that the Governmental Unit needs to meet its criminal justice obligations and for which Governmental Unit is eligible.
- 2.7 Future Access. On written request from the Governmental Unit, BCA also may provide Governmental Unit with access to those systems or tools which may become available after the signing of this Agreement, to the extent that the access is authorized by applicable state and federal law. Governmental Unit agrees to be bound by the terms and conditions contained in this Agreement that when utilizing new systems or tools provided under this Agreement.
- 2.8 Limitations on Access. BCA agrees that it will comply with applicable state and federal laws when making information accessible. Governmental Unit agrees that it will comply with applicable state and federal laws when accessing, entering, using, disseminating, and storing data. Each party is responsible for its own compliance with the most current applicable state and federal laws.
- 2.9 Supersedes Prior Agreements. This Agreement supersedes any and all prior agreements between the BCA and the Governmental Unit regarding access to and use of systems and tools provided by BCA.
- 2.10 Requirement to Update Information. The parties agree that if there is a change to any of the information whether required by law or this Agreement, the party will send the new information to the other party in writing within 30 days of the change. This clause does not apply to changes in systems or tools provided under this Agreement.
 - This requirement to give notice additionally applies to changes in the individual or organization serving the Governmental Unit as its prosecutor. Any change in performance of the prosecutorial function must be provided to the BCA in writing by giving notice to the Service Desk, <u>BCA.ServiceDesk@state.mn.us</u>.
- 2.11 Transaction Record. The BCA creates and maintains a transaction record for each exchange of data utilizing its systems and tools. In order to meet FBI-CJIS requirements and to perform the audits described in Clause 7, there must be a method of identifying which individual users at the Governmental Unit conducted a

particular transaction.

If Governmental Unit uses either direct access as described in Clause 2.2A or indirect access as described in Clause 2.2B, BCA's transaction record meets FBI-CJIS requirements.

When Governmental Unit's method of access is a computer-to-computer interface as described in Clause 2.2C, the Governmental Unit must keep a transaction record sufficient to satisfy FBI-CJIS requirements and permit the audits described in Clause 7 to occur.

If a Governmental Unit accesses data from the Driver and Vehicle Services Division in the Minnesota Department of Public Safety and keeps a copy of the data, Governmental Unit must have a transaction record of all subsequent access to the data that are kept by the Governmental Unit. The transaction record must include the individual user who requested access, and the date, time and content of the request. The transaction record must also include the date, time and content of the response along with the destination to which the data were sent. The transaction record must be maintained for a minimum of six (6) years from the date the transaction occurred and must be made available to the BCA within one (1) business day of the BCA's request.

- 2.12 Court Information Access. Certain BCA systems and tools that include access to and/or submission of Court Records may only be utilized by the Governmental Unit if the Governmental Unit completes the Court Data Services Subscriber Amendment, which upon execution will be incorporated into this Agreement by reference. These BCA systems and tools are identified in the written request made by the Governmental Unit under Clause 2.6 above. The Court Data Services Subscriber Amendment provides important additional terms, including but not limited to privacy (see Clause 8.2, below), fees (see Clause 3 below), and transaction records or logs, that govern Governmental Unit's access to and/or submission of the Court Records delivered through the BCA systems and tools.
- 2.13 Vendor Personnel Screening. The BCA will conduct all vendor personnel screening on behalf of Governmental Unit as is required by the FBI CJIS Security Policy. The BCA will maintain records of the federal, fingerprint-based background check on each vendor employee as well as records of the completion of the security awareness training that may be relied on by the Governmental Unit.

3 Payment

The Governmental Unit understands there is a cost for access to the criminal justice data communications network described in Minn. Stat. § 299C.46. At the time this Agreement is signed, BCA understands that a third party will be responsible for the cost of access.

The Governmental Unit will identify the third party and provide the BCA with the contact information and its contact person for billing purposes so that billing can be established. The Governmental Unit will provide updated information to BCA's Authorized Representative within ten business days when this information changes.

If Governmental Unit chooses to execute the Court Data Services Subscriber Amendment referred to in Clause 2.12 in order to access and/or submit Court Records via BCA's systems, additional fees, if any, are addressed in that amendment.

- **5.3 Waiver.** If either party fails to enforce any provision of this Agreement, that failure does not waive the provision or the right to enforce it.
- **5.4 Agreement Complete.** This Agreement contains all negotiations and agreements between the BCA and the Governmental Unit. No other understanding regarding this Agreement, whether written or oral, may be used to bind either party.

6 Liability

Each party will be responsible for its own acts and behavior and the results thereof and shall not be responsible or liable for the other party's actions and consequences of those actions. The Minnesota Torts Claims Act, Minn. Stat. § 3.736 and other applicable laws govern the BCA's liability. The Minnesota Municipal Tort Claims Act, Minn. Stat. Ch. 466 and other applicable laws, governs the Governmental Unit's liability.

7 Audits

- 7.1 Under Minn. Stat. § 16C.05, subd. 5, the Governmental Unit's books, records, documents, internal policies and accounting procedures and practices relevant to this Agreement are subject to examination by the BCA, the State Auditor or Legislative Auditor, as appropriate, for a minimum of six years from the end of this Agreement.
 - Under Minn. Stat. § 6.551, the State Auditor may examine the books, records, documents, and accounting procedures and practices of BCA. The examination shall be limited to the books, records, documents, and accounting procedures and practices that are relevant to this Agreement.
- 7.2 Under applicable state and federal law, the Governmental Unit's records are subject to examination by the BCA to ensure compliance with laws, regulations and policies about access, use, and dissemination of data.
- 7.3 If the Governmental Unit accesses federal databases, the Governmental Unit's records are subject to examination by the FBI and BCA; the Governmental Unit will cooperate with FBI and BCA auditors and make any requested data available for review and audit.
- 7.4 If the Governmental Unit accesses state databases, the Governmental Unit's records are subject to examination by the BCA: the Governmental Unit will cooperate with the BCA auditors and make any requested data available for review and audit.

7.5 To facilitate the audits required by state and federal law, Governmental Unit is required to have an inventory of the equipment used to access the data covered by this Agreement and the physical location of each.

8 Government Data Practices

- 8.1 BCA and Governmental Unit. The Governmental Unit and BCA must comply with the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, as it applies to all data accessible under this Agreement, and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Governmental Unit under this Agreement. The remedies of Minn. Stat. §§ 13.08 and 13.09 apply to the release of the data referred to in this clause by either the Governmental Unit or the BCA.
- 8.2 Court Records. If Governmental Unit chooses to execute the Court Data Services Subscriber Amendment referred to in Clause 2.12 in order to access and/or submit Court Records via BCA's systems, the following provisions regarding data practices also apply. The Court is not subject to Minn. Stat. Ch. 13 but is subject to the Rules of Public Access to Records of the Judicial Branch promulgated by the Minnesota Supreme Court. All parties acknowledge and agree that Minn. Stat. § 13.03, subdivision 4(e) requires that the BCA and the Governmental Unit comply with the Rules of Public Access for those data received from Court under the Court Data Services Subscriber Amendment. All parties also acknowledge and agree that the use of, access to or submission of Court Records, as that term is defined in the Court Data Services Subscriber Amendment, may be restricted by rules promulgated by the Minnesota Supreme Court, applicable state statute or federal law. All parties acknowledge and agree that these applicable restrictions must be followed in the appropriate circumstances.

9 Investigation of Alleged Violations; Sanctions

For purposes of this clause, "Individual User" means an employee or contractor of Governmental Unit.

- 9.1 Investigation. The Governmental Unit and BCA agree to cooperate in the investigation and possible prosecution of suspected violations of federal and state law referenced in this Agreement. Governmental Unit and BCA agree to cooperate in the investigation of suspected violations of the policies and procedures referenced in this Agreement. When BCA becomes aware that a violation may have occurred, BCA will inform Governmental Unit of the suspected violation, subject to any restrictions in applicable law. When Governmental Unit becomes aware that a violation has occurred, Governmental Unit will inform BCA subject to any restrictions in applicable law.
- 9.2 Sanctions Involving Only BCA Systems and Tools.
 - The following provisions apply to BCA systems and tools not covered by the Court Data Services Subscriber Amendment. None of these provisions alter the Governmental Unit internal discipline processes, including those governed by a collective bargaining agreement.
 - Governmental Unit must determine if and when an involved Individual User's access to systems or tools is to be temporarily or permanently eliminated. The decision to suspend or terminate access may be made as soon as alleged violation is discovered, after notice of an alleged violation is received, or after an investigation has occurred. Governmental Unit must report the status of the Individual User's access to BCA without delay. BCA reserves the right to make a different determination concerning an Individual User's access to systems or tools than that made by Governmental Unit and BCA's determination controls.
 - 9.2.2 If BCA determines that Governmental Unit has jeopardized the integrity of the systems or tools covered in this Clause 9.2, BCA may temporarily stop providing some or all the systems or tools under this Agreement until the failure is remedied to the BCA's satisfaction. If Governmental Unit's failure is continuing or repeated, Clause 11.1 does not apply and BCA may terminate this Agreement immediately.

9.3 Sanctions Involving Only Court Data Services

The following provisions apply to those systems and tools covered by the Court Data Services Subscriber Amendment, if it has been signed by Governmental Unit. As part of the agreement between the Court and the BCA for the delivery of the systems and tools that are covered by the Court Data Services Subscriber Amendment, BCA is required to suspend or terminate access to or use of the systems and tools either on its own initiative or when directed by the Court. The decision to suspend or terminate access may be made as soon as an alleged violation is discovered, after notice of an alleged violation is received, or after an investigation has occurred. The decision to suspend or terminate may also be made based on a request from the Authorized Representative of Governmental Unit. The agreement further provides that only the Court has the authority to reinstate access and use.

- 9.3.1 Governmental Unit understands that if it has signed the Court Data Services Subscriber Amendment and if Governmental Unit's Individual Users violate the provisions of that Amendment, access and use will be suspended by BCA or Court. Governmental Unit also understands that reinstatement is only at the direction of the Court.
- **9.3.2** Governmental Unit further agrees that if Governmental Unit believes that one or more of its Individual Users have violated the terms of the Amendment, it will notify BCA and Court so that an investigation as described in Clause 9.1 may occur.

10 Venue

Venue for all legal proceedings involving this Agreement, or its breach, must be in the appropriate state or federal court with competent jurisdiction in Ramsey County, Minnesota.

11 Termination

- **11.1 Termination.** The BCA or the Governmental Unit may terminate this Agreement at any time, with or without cause, upon 30 days' written notice to the other party's Authorized Representative.
- 11.2 Termination for Insufficient Funding. Either party may immediately terminate this Agreement if it does not obtain funding from the Minnesota Legislature, or other funding source; or if funding cannot be continued at a level sufficient to allow for the payment of the services covered here. Termination must be by written notice to the other party's authorized representative. The Governmental Unit is not obligated to pay for any services that are provided after notice and effective date of termination. However, the BCA will be entitled to payment, determined on a pro rata basis, for services satisfactorily performed to the extent that funds are available. Neither party will be assessed any penalty if the agreement is terminated because of the decision of the Minnesota Legislature, or other funding source, not to appropriate funds. Notice of the lack of funding must be provided within a reasonable time of the affected party receiving that notice.

12 Continuing Obligations

The following clauses survive the expiration or cancellation of this Agreement: Liability; Audits; Government Data Practices; 9. Investigation of Alleged Violations; Sanctions; and Venue.

This Court Data Services Subscriber Amendment ("Subscriber Amendment") is entered into by the State of Minnesota, acting through its Department of Public Safety, Bureau of Criminal Apprehension, ("BCA") and the City of Fergus Falls on behalf of its Prosecuting Attorney ("Agency"), and by and for the benefit of the State of Minnesota acting through its State Court Administrator's Office ("Court") who shall be entitled to enforce any provisions hereof through any legal action against any party.

Recitals

This Subscriber Amendment modifies and supplements the Agreement between the BCA and Agency, SWIFT Contract number 202869, of even or prior date, for Agency use of BCA systems and tools (referred to herein as "the CJDN Subscriber Agreement"). Certain BCA systems and tools that include access to and/or submission of Court Records may only be utilized by the Agency if the Agency completes this Subscriber Amendment. As used herein, "trade secret information of Court and its licensors" means any information possessed by Court which derives independent economic value from not being generally known to, and not being readily ascertainable by proper means by, other persons who can obtain economic value from its disclosure or use. "Trade secret information of Court and its licensors" does not, however, include information which was known to Subscriber prior to Subscriber's receipt thereof, either directly or indirectly, from Court or its licensors, information which is independently developed by Subscriber without reference to or use of information received from Court or its licensors, or information which would not qualify as a trade secret under Minnesota law. It will not be a violation of this section 7, sub-section d, for Subscriber to make up to one copy of training materials and configuration documentation, if any, for each individual authorized to access, use, or configure Authorized Court Data Services, solely for its own use in connection with this Subscriber Amendment. Subscriber will take all steps reasonably necessary to protect the copyright, trade secret, and trademark rights of Court and its licensors and Subscriber will advise its bona fide personnel who are permitted access to any of the Court Data Services Programs and Court Data Services Databases, and trade secret information of Court and its licensors, of the restrictions upon duplication, disclosure and use contained in this Subscriber Amendment.

- e. Proprietary Notices. Subscriber will not remove any copyright or proprietary notices included in and/or on the Court Data Services Programs or Court Data Services Databases, related documentation, or trade secret information of Court and its licensors, or any part thereof, made available by Court directly or through the BCA, if any, and Subscriber will include in and/or on any copy of the Court Data Services Programs or Court Data Services Databases, or trade secret information of Court and its licensors and any documents pertaining thereto, the same copyright and other proprietary notices as appear on the copies made available to Subscriber by Court directly or through the BCA, except that copyright notices shall be updated and other proprietary notices added as may be appropriate.
- Databases, and related documentation, including but not limited to training and configuration material, if any, and logon account information and passwords, if any, made available by the Court to Subscriber directly or through the BCA and all copies, including partial copies, thereof are and remain the property of the respective licensor. Except as expressly provided in section 12.b., within ten days of the effective date of termination of this Subscriber Amendment or the CJDN Subscriber Agreement or within ten days of a request for termination of Authorized Court Data Service as described in section 4, Subscriber shall either: (i) uninstall and return any and all copies of the applicable Court Data Services Programs and Court Data Services Databases, and related documentation, including but not limited to training and configuration materials, if any, and logon account information, if any; or (2) destroy the same and certify in writing to the Court that the same have been destroyed.
- 8. INJUNCTIVE RELIEF. Subscriber acknowledges that the Court, Court's licensors, and DCA will be irreparably harmed if Subscriber's obligations under this Subscriber Amendment are not specifically enforced and that the Court, Court's licensors, and DCA would not have an adequate remedy at law in the event of an actual or threatened violation by Subscriber of its obligations. Therefore, Subscriber agrees that the Court, Court's licensors, and DCA shall be entitled to an injunction or any appropriate decree of specific performance for any actual or threatened violations or breaches by Subscriber or its bona fide personnel without the necessity of the Court, Court's licensors, or DCA showing actual damages or that monetary damages would not afford an adequate remedy. Unless Subscriber is an office, officer, agency, department, division, or bureau of the state of Minnesota, Subscriber shall be liable to the Court, Court's licensors, and DCA for reasonable attorneys fees incurred by the Court, Court's licensors, and DCA in obtaining any relief pursuant to this Subscriber Amendment.
- 9. LIABILITY. Subscriber and the Court agree that, except as otherwise expressly provided herein, each party will be responsible for its own acts and the results thereof to the extent authorized by law and shall not be responsible for the acts of any others and the results thereof. Liability shall be governed by applicable law. Without limiting the foregoing, liability of the Court and any Subscriber that is an office, officer, agency, department, division, or bureau of the state of Minnesota shall be governed by the provisions of the Minnesota Tort Claims Act, Minnesota Statutes, section 3.376, and other applicable law. Without limiting the foregoing, if Subscriber is a political subdivision of the state of Minnesota, liability of the Subscriber shall be governed by the provisions of Minn. Stat. Ch. 466 (Tort Liability, Political Subdivisions) or other applicable law. Subscriber and Court further acknowledge that the liability, if any, of the BCA is governed by a separate agreement between the Court and the BCA dated December 13, 2010 with DPS-M -0958.

10. AVAILABILITY. Specific terms of availability shall be established by the Court and communicated to Subscriber by the Court and/or the BCA. The Court reserves the right to terminate this Subscriber Amendment immediately and/or temporarily suspend Subscriber's Authorized Court Data Services in the event the capacity of any host computer system or legislative appropriation of funds is determined solely by the Court to be insufficient to meet the computer needs of the courts served by the host computer system.

11. [reserved]

- 12. ADDITIONAL USER OBLIGATIONS. The obligations of the Subscriber set forth in this section are in addition to the other obligations of the Subscriber set forth elsewhere in this Subscriber Amendment.
 - a. Judicial Policy Statement. Subscriber agrees to comply with all policies identified in Policies & Notices applicable to Court Records accessed by Subscriber using Authorized Court Data Services. Upon failure of the Subscriber to comply with such policies, the Court shall have the option of immediately suspending the Subscriber's Authorized Court Data Services on a temporary basis and/or immediately terminating this Subscriber Amendment.
 - b. Access and Use; Log. Subscriber shall be responsible for all access to and use of Authorized Court Data Services and Court Records by Subscriber's bona fide personnel or by means of Subscriber's equipment or passwords, whether or not Subscriber has knowledge of or authorizes such access and use. Subscriber shall also maintain a log identifying all persons to whom Subscriber has disclosed its Court Confidential Security and Activation Information, such as user ID(s) and password(s), including the date of such disclosure. Subscriber shall maintain such logs for a minimum period of six years from the date of disclosure, and shall provide the Court with access to, and copies of, such logs upon request. The Court may conduct audits of Subscriber's logs and use of Authorized Court Data Services and Court Records from time to time. Upon Subscriber's failure to maintain such logs, to maintain accurate logs, or to promptly provide access by the Court to such logs, the Court may terminate this Subscriber Amendment without prior notice to Subscriber.
 - c. Personnel. Subscriber agrees to investigate, at the request of the Court and/or the BCA, allegations of misconduct pertaining to Subscriber's bona fide personnel having access to or use of Authorized Court Data Services, Court Confidential Information, or trade secret information of the Court and its licensors where such persons are alleged to have violated the provisions of this Subscriber Amendment, Policies & Notices, Judicial Branch policies, or other security requirements or laws regulating access to the Court Records.
 - d. Minnesota Data Practices Act Applicability. If Subscriber is a Minnesota Government entity that is subject to the Minnesota Government Data Practices Act, Minn. Stat. Ch. 13, Subscriber acknowledges and agrees that: (1) the Court is not subject to Minn. Stat. Ch. 13 (see section 13.90) but is subject to the Rules of Public Access and other rules promulgated by the Minnesota Supreme Court; (2) Minn. Stat. section 13.03, subdivision 4(e) requires that Subscriber comply with the Rules of Public Access and other rules promulgated by the Minnesota Supreme Court for access to Court Records provided via the

BCA systems and tools under this Subscriber Amendment; (3) the use of and access to Court Records may be restricted by rules promulgated by the Minnesota Supreme Court, applicable state statute or federal law; and (4) these applicable restrictions must be followed in the appropriate circumstances.

- 13. FEES; INVOICES. Unless the Subscriber is an office, officer, department, division, agency, or bureau of the state of Minnesota, Subscriber shall pay the fees, if any, set forth in applicable Policies & Notices, together with applicable sales, use or other taxes. Applicable monthly fees commence ten (10) days after notice of approval of the request pursuant to section 3 of this Subscriber Amendment or upon the initial Subscriber transaction as defined in the Policies & Notices, whichever occurs earlier. When fees apply, the Court shall invoice Subscriber on a monthly basis for charges incurred in the preceding month and applicable taxes, if any, and payment of all amounts shall be due upon receipt of invoice. If all amounts are not paid within 30 days of the date of the invoice, the Court may immediately cancel this Subscriber Amendment without notice to Subscriber and pursue all available legal remedies. Subscriber certifies that funds have been appropriated for the payment of charges under this Subscriber Amendment for the current fiscal year, if applicable.
- **MODIFICATION OF FEES.** Court may modify the fees by amending the Policies & Notices as provided herein, and the modified fees shall be effective on the date specified in the Policies & Notices, which shall not be less than thirty days from the publication of the Policies & Notices. Subscriber shall have the option of accepting such changes or terminating this Subscriber Amendment as provided in section 1 hereof.

15. WARRANTY DISCLAIMERS.

- **a. WARRANTY EXCLUSIONS.** EXCEPT AS SPECIFICALLY AND EXPRESSLY PROVIDED HEREIN, COURT, COURT'S LICENSORS, AND DCA MAKE NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY, NOR ARE ANY WARRANTIES TO BE IMPLIED, WITH RESPECT TO THE INFORMATION, SERVICES OR COMPUTER PROGRAMS MADE AVAILABLE UNDER THIS AGREEMENT.
- **b. ACCURACY AND COMPLETENESS OF INFORMATION.** WITHOUT LIMITING THE GENERALITY OF THE PRECEDING PARAGRAPH, COURT, COURT'S LICENSORS, AND DCA MAKE NO WARRANTIES AS TO THE ACCURACY OR COMPLETENESS OF THE INFORMATION CONTAINED IN THE COURT RECORDS.
- 16. RELATIONSHIP OF THE PARTIES. Subscriber is an independent contractor and shall not be deemed for any purpose to be an employee, partner, agent or franchisee of the Court, Court's licensors, or DCA. Neither Subscriber nor the Court, Court's licensors, or DCA shall have the right nor the authority to assume, create or incur any liability or obligation of any kind, express or implied, against or in the name of or on behalf of the other.
- 17. NOTICE. Except as provided in section 2 regarding notices of or modifications to Authorized Court Data Services and Policies & Notices, any notice to Court or Subscriber

- 18. NON-WAIVER. The failure by any party at any time to enforce any of the provisions of this Subscriber Amendment or any right or remedy available hereunder or at law or in equity, or to exercise any option herein provided, shall not constitute a waiver of such provision, remedy or option or in any way affect the validity of this Subscriber Amendment. The waiver of any default by either Party shall not be deemed a continuing waiver, but shall apply solely to the instance to which such waiver is directed.
- 19. FORCE MAJEURE. Neither Subscriber nor Court shall be responsible for failure or delay in the performance of their respective obligations hereunder caused by acts beyond their reasonable control.
- 20. SEVERABILITY. Every provision of this Subscriber Amendment shall be construed, to the extent possible, so as to be valid and enforceable. If any provision of this Subscriber Amendment so construed is held by a court of competent jurisdiction to be invalid, illegal or otherwise unenforceable, such provision shall be deemed severed from this Subscriber Amendment, and all other provisions shall remain in full force and effect.
- 21. ASSIGNMENT AND BINDING EFFECT. Except as otherwise expressly permitted herein, neither Subscriber nor Court may assign, delegate and/or otherwise transfer this Subscriber Amendment or any of its rights or obligations hereunder without the prior written consent of the other. This Subscriber Amendment shall be binding upon and inure to the benefit of the Parties hereto and their respective successors and assigns, including any other legal entity into, by or with which Subscriber may be merged, acquired or consolidated.
- 22. GOVERNING LAW. This Subscriber Amendment shall in all respects be governed by and interpreted, construed and enforced in accordance with the laws of the United States and of the State of Minnesota.

- 24. INTEGRATION. This Subscriber Amendment contains all negotiations and agreements between the parties. The City shall be entitled to require as conditions to any such approval that:
- (1) Any proposed transferee shall have the qualifications and financial responsibility, in the reasonable judgment of the City, necessary and adequate to fulfill the obligations undertaken in this Agreement by the Company.

- (2) Any proposed transferee, by instrument in writing satisfactory to the City shall, for itself and its successors and assigns, and expressly for the benefit of the City, have expressly assumed all of the obligations of the Company under this Agreement and agreed to be subject to all the conditions and restrictions to which the Company is subject.
- (3) There shall be submitted to the City for review and prior written approval all instruments and other legal documents involved in effecting the transfer of any interest in this Agreement or the Project. The City shall provide the Company with written approval or denial within thirty (30) days of the Company's request therefor. In the event of a transfer of the Project to a transferee approved by City, the Company shall be released from liability hereunder after the date of such transfer, and City shall look solely to such transferee to fulfill the obligation of the Company hereunder.
- Section 3.7 <u>Real Property Taxes</u>. The Company shall, so long as this Agreement remains in effect, pay all real property taxes with respect to all parts of the Tax Abatement Property owned by it which are payable pursuant to any statutory or contractual duty that shall accrue until title to the property is vested in another person. The Company agrees that for tax assessments so long as this Agreement remains in effect:
- (1) It will not challenge the market value of the Tax Abatement Property or the Project with the County Assessor.
- (2) It will not seek administrative review or judicial review of the applicability of any tax statute relating to the ad valorem property taxation with respect to the Project determined by any tax official to be applicable to the Project or the Company or raise the inapplicability of any such tax statute as a defense in any proceedings with respect to the Project, including delinquent tax proceedings; provided, however, "tax statute" does not include any local ordinance or resolution levying a tax;
- (3) It will not seek administrative review or judicial review of the constitutionality of any tax statute relating to the taxation of real property with respect to the Project determined by any tax official to be applicable to the Project or the Company or raise the unconstitutionality of any such tax statute as a defense in any proceedings, including delinquent tax proceedings with respect to the Tax Abatement Property; provided, however, "tax statute" does not include any local ordinance or resolution levying a tax;
- (4) It will not seek any tax deferral or abatement, either presently or prospectively authorized under Minnesota Statutes, Section 469.181, or any other State or federal law, of the ad valorem property taxation with respect to the Project so long as this Agreement remains in effect.

Section 3.8 <u>DEED Reports</u>. The Company shall provide the City with information about the Project as requested by the City so that the City can satisfy the reporting requirements of Minnesota Statutes, Section 116J.994, Subd. 8.

Section 3.9 <u>Duration of the Abatement Program.</u> The Tax Abatement Program shall exist for a period of up to 9.5 years beginning with real estate taxes payable in 2024 through August 1, 2033. On or before February 1 and August 1 of each year commencing August 1, 2024 until August 1, 2033 the City shall pay the Company the amount of the Tax Abatements received by the City in the previous six month period and up to an amount of \$111,000.

The City may terminate the Tax Abatement Program and this Agreement at an earlier date if an Event of Default occurs and the City rescinds or cancels this Agreement as more fully set forth in Article IV herein.

ARTICLE IV

EVENTS OF DEFAULT

- Section 4.1 <u>Events of Default Defined.</u> The following shall be "Events of Default" under this Agreement and the term "Event of Default" shall mean whenever it is used in this Agreement any one or more of the following events:
- (1) Failure by the Company to timely pay any ad valorem real property taxes, special assessments, utility charges or other governmental impositions with respect to the Project.
- (2) Failure by the Company to cause the construction of the Project to be completed pursuant to the terms, conditions and limitations of this Agreement.
- (3) Failure by the Company to observe or perform any other covenant, condition, obligation or agreement on its part to be observed or performed under this Agreement
- (4) The holder of any mortgage on the Property or any improvements thereon, or any portion thereof, commences foreclosure proceedings as a result of any default under the applicable mortgage documents.

(5) The Company shall

- (a) file any petition in bankruptcy or for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under the United States Bankruptcy Act of 1978, as amended or under any similar federal or state law; or
 - (b) make an assignment for the benefit of its creditors; or
- (c) admit in writing its inability to pay its debts generally as they become due; or
- (d) be adjudicated as bankrupt or insolvent; or if a petition or answer proposing the adjudication of the Company, as a bankrupt or its reorganization under any present or future federal bankruptcy act or any similar federal or state law shall be filed in any court and such petition or answer shall not be discharged or denied within sixty (60) days after the filing thereof; or a receiver, trustee or liquidator of the Company, or of the Project, or part thereof, shall be appointed in any proceeding brought against the Company, and shall not be discharged within sixty (60) days after such appointment, or if the Company, shall consent to or acquiesce in such appointment.
- Section 4.2 <u>Remedies on Default.</u> Whenever any Event of Default referred to in Section 4.1 occurs and is continuing, the City, as specified below, may take any one or more of the following actions after the giving of forty five (45) days' written notice to the Company citing with specificity the item or items of default and notifying the Company that it has forty five (45) days within which to cure said Event of Default (or commence and diligently pursue such Event of Default if the Company is unable to cure within such forty five (45) day period and the

Company is diligently pursuing and can demonstrate progress toward curing the default). If the Company is unable to cure or commence a cure for the Event of Default within said forty five (45) days as required above:

- (a) The City may suspend its performance under this Agreement until it receives assurances from the Company, deemed adequate by the City, that the Company will cure its default and continue its performance under this Agreement.
 - (b) The City may cancel and rescind the Agreement.
- (c) The City may take any action, including legal or administrative action, in law or equity, which may appear necessary or desirable to enforce performance and observance of any obligation, agreement, or covenant of the Company under this Agreement.

Section 4.3 <u>No Remedy Exclusive</u>. No remedy herein conferred upon or reserved to the City is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof but any such right and power may be exercised from time to time and as often as may be deemed expedient.

Section 4.4 <u>No Implied Waiver.</u> In the event any agreement contained in this Agreement should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

Section 4.5 <u>Agreement to Pay Attorney's Fees and Expenses.</u> Whenever any Event of Default occurs and the City shall employ attorneys or incur other expenses for the collection of payments due or to become due or for the enforcement or performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that they shall, on demand therefor, pay to the City the reasonable fees of such attorneys and such other expenses so incurred by the City.

Section 4.6 Release and Indemnification Covenants.

(1) The Company releases from and covenants and agrees that the City and its governing body members, officers, agents, servants and employees (together, the "Indemnified Parties") shall not be liable for and agrees to indemnify and hold harmless the City and Indemnified Parties against any loss or damage to property or any injury to or death of any person occurring at or about or resulting from any defect in the Project, provided that the foregoing indemnification shall not be effective for any actions of the Indemnified Parties that are not contemplated by this Agreement, nor shall such indemnification be effective with respect to any willful misrepresentation or any gross negligence or willful or wanton misconduct of the Indemnified Parties.

- (2) Except for any willful misrepresentation or any willful or wanton misconduct of the Indemnified Parties, the Company agrees to protect and defend the Indemnified Parties now or forever and further agrees to hold the aforesaid harmless from any claim, demand, such, action or other proceeding whatsoever by any person or entity whatsoever arising or purportedly arising from a breach of the obligations of the Company under this Agreement, or the transactions contemplated hereby or the acquisition, construction, installation, ownership, maintenance and operation of the Project.
- (3) The Indemnified Parties shall not be liable for any damages or injury to the persons or property of the Company or its officers, agents, servants or employees or any other person who may be about the Project.
- (4) All covenants, stipulations, promises, agreements and obligations of the City contained herein shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the City and not of any governing body member, officer, agent, servant or employee of the City in the individual capacity thereof.
- (5) If Company shall fail to perform its obligations hereunder, and if City shall, as a consequence thereof recover a money judgment against Company, City agrees that it shall first look to Company's right, title and interest in and to the Project for the collection of such judgment; and unless Company's right, title and interest in and to the Project is inadequate to satisfy such judgment, City agrees that no other assets of Company shall be subject to levy, execution or other process for the satisfaction of such judgment.

ARTICLE V

Meeting Date:

12/20/21

Subject:

Ad Valorem tax exception for Nurses Cottage

Recommendation:

Resolution granting a 15 year ad valorem tax exemption to "Good Neighbors The Cottage LLC" for the Nurses Cottage at the Regional Treatment Center Campus

Background/Key Points:

Good Neighbors Properties dba Good Neighbors The Cottage LLC, who is the owner and development group of the Nurses Cottage at the Regional Treatment Center, is requesting the allowable 15 year ad valorem tax exemption for their assisted living project at the Nurses Cottage. The 15 years includes 12 years of full exemption and 3 years phased-in. State Statute 272.02 Subd. 88, which provides for this exemption reads as follows:

Subd. 88.Fergus Falls historical zone. (a) Property located in the area of the campus of the former state regional treatment center in the city of Fergus Falls, including the **five buildings and associated land** that were acquired by the city prior to January 1, 2007, is exempt from ad valorem taxes levied under chapter 275.

- (b) The exemption applies for 15 calendar years from the date specified by resolution of the governing body of the city of Fergus Falls. For the final three assessment years of the duration limit, the exemption applies to the following percentages of estimated market value of the property:
- (1) for the third to the last assessment year of the duration, 75 percent;
- (2) for the second to the last assessment year of the duration, 50 percent; and
- (3) for the last assessment year of the duration, 25 percent.

The Nurses Cottage redevelopment project is complete and the owner is requesting the Council to pass this resolution as of December 20, 2021, which will start the 15 year clock. The City will file this resolution with the County Assessor's office. We have provided the same exemption for both of the red brick buildings that were previously redeveloped.

Budgetary Impact:

We would not collect any tax revenue on this property for 12 years and then a phased collection for 3 years.

City Council Action Recommendation

Meeting Date:

December 20, 2021 City Council

Subject:

A 4th Addendum to the Purchase Agreement between the City of Fergus Falls and the Fergus Falls Port Authority for 11.57 acres of land on the former Dairy site.

Recommendation:

Resolution extend the purchase agreement.

Background/Key Points:

The Purchase Agreement between the City of Fergus Falls and the Fergus Falls Port Authority for the LCCMR-funded acquisition of 11.57 acres was extended for a 3rd time on September 20, 2021 until December 31, 2021. This extension was made to accommodate the DNR's appraisal review process. On December 6, I delivered via email (as there is no other mechanism for delivery) what our appraiser's office felt confident would be the final iteration of the appraisal report. As of the writing of this memo, no official acceptance of the appraisal report has come from the DNR's office, a necessary component of our grant closure. Since we must have an active purchase agreement to receive our LCCMR funds, I have no choice but to suggest another addendum to the purchase agreement be made to extend the deadline further. I have no recommendation for the amount of time we should allow for the extension and I do not plan to communicate to the DNR that a further extension is under consideration if or until absolutely necessary.

City Council Memorandum

Meeting Date: December 20, 2021

Subject: Hotel, Motel, and Apartment Hotel Zoning Code Definitions

Recommendation: Motion directing the City Attorney to draft an ordinance adopting a ninety-day study period and moratorium on the construction, enlargement, or expansion of motels, hotels, and apartment hotels and permits for the same.

<u>Background/Key Points</u>: Motel 7, located at 616 Frontier Drive, has recently been placed for sale. Staff have received numerous inquiries about whether this building can be converted to apartments or used as an "extended stay" hotel.

The property is zoned B-2, Service Business District. The B-2 district's purpose is "to provide a district for a wide range of services and goods which might be incompatible with the uses permitted in retail business district" (§154.037(A)). The B-2 district permits for "motels, hotels or apartment hotels" among other service business uses. Motels, hotels, and apartment hotels are also permitted uses in some of the City's other business districts. However, the definitions of these uses are outdated and insufficient to guide reuse of the property.

Staff are requesting the City Council direct the City Attorney to draft an ordinance adopting a 90-day moratorium and study period. Staff recommend the ordinance establish a moratorium on construction, enlargement, or expansion (and permits for the same) of motels, hotels, and apartment hotels. The purpose of the study period is for staff to research the uses of hotel, motel, and apartment hotel and provide suggested revisions to the zoning code in consultation with the Planning Commission and City Council. Should the City Council ultimately pass a moratorium, staff would present background information and discussion drafts at the Planning Commission's next scheduled meeting on January 24.

Moratoriums (formally called "interim ordinances") are permitted under M.S. §462.355 Subd. 4. They may be enacted for a period of up to one year. An interim ordinance must be adopted by the governing body.
