FERGUS FALLS HOSTS TOWN HALL TO RESPOND TO THE CHILDCARE SHORTAGE

The City of Fergus Falls is one of ten communities working with First Children's Finance and the Rural Child Care Innovation Program (RCCIP). This community engagement process includes exploring current workforce and demographic data to seek right-sized solutions to the child care shortage utilizing existing assets and creating new partnerships.

Fergus Falls' Core Team began the process in September and will be hosting a Town Hall to share findings on child care gaps and needs along with giving the public opportunity to provide ideas for solutions. The event will be held on Monday, January 30, at 6 p.m. at M State Legacy Hall. January 31 is reserved for inclement weather. A meal will be served. Register at <https://www.eventbrite.com/e/fergus-falls-town-hall-tickets-465772085847>.

To learn more about how you or your business can get involved in the RCCIP process or the expansion of high quality, affordable child care, contact RCCIP Core Team Lead and Community Development Manager, Klara Beck, at Klara.Beck@ci.fergus-falls.mn.us, (218) 332-5428, or visit <https://www.ci.fergus-falls.mn.us/government/city-projects/rccip-fergus-falls>.
