### Comstock Construction, Inc.

1003 Progress Drive  
P.O. Box 396  
Fergus Falls, MN 56537

Joe Johnson  
Project Manager  
Cell 701-403-6106

## Overview

The City of Fergus Falls is undertaking an improvement to DeLagoon park. The project includes upgrading and expanding the existing campground, adding utility services to other park amenities and upgrading the lighting on several athletic fields. A new campground layout allows for an increase in total campsites, with many of them having full utility hookups. The upgraded campground will include both RV and tenting options.

## Update

Comstock Construction has all the topsoil stripped and the sites roughly graded. New sanitary sewer, watermain and electrical has begun being installed throughout the campground and foundations have been completed for the new shower building. Over the next few weeks, crews will complete installation of utilities throughout the campground.

## Contacts

**Ben Graupman will be on site throughout the project and will serve as the primary contact during construction. Ben can be reached at 507-720-1523 or [Ben.Graupman@bolton-menk.com](mailto:Ben.Graupman@bolton-menk.com).** Newsletters, such as this one, will be posted to the city website throughout the construction season. If you have questions or concerns at any time, please contact Ben at the number or email address listed.
